The Second Amendment

How it appears in the U.S. Constitution:

A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.

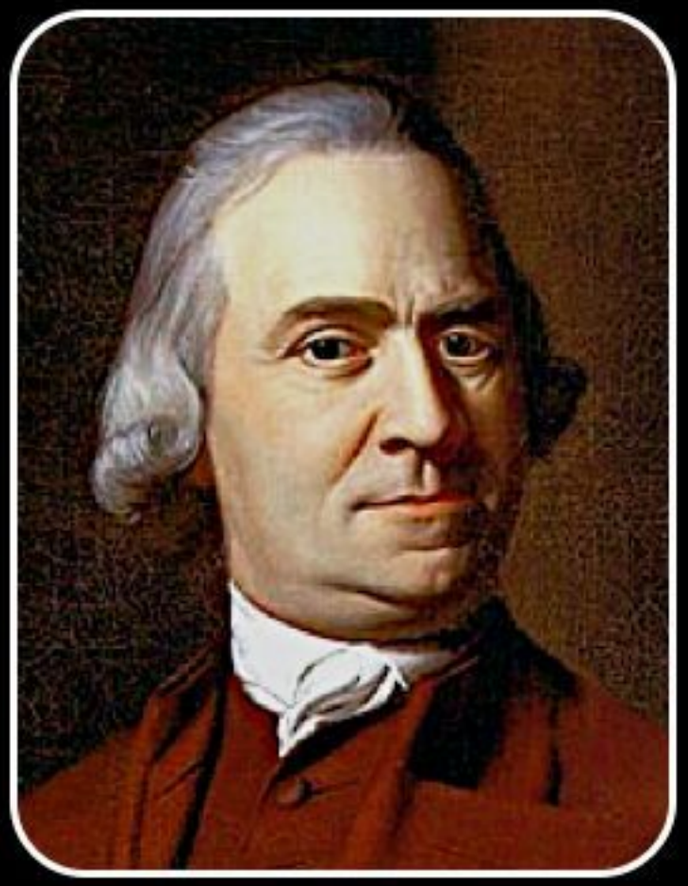
How we might write it in modern colloquial English:

Since a well regulated Militia is necessary to the security of a free State, the right of the people to keep and bear Arms shall not be infringed.

"What is the militia? It is the whole people. To disarm the people is the best and most effectual way to enslave them."

- George Mason

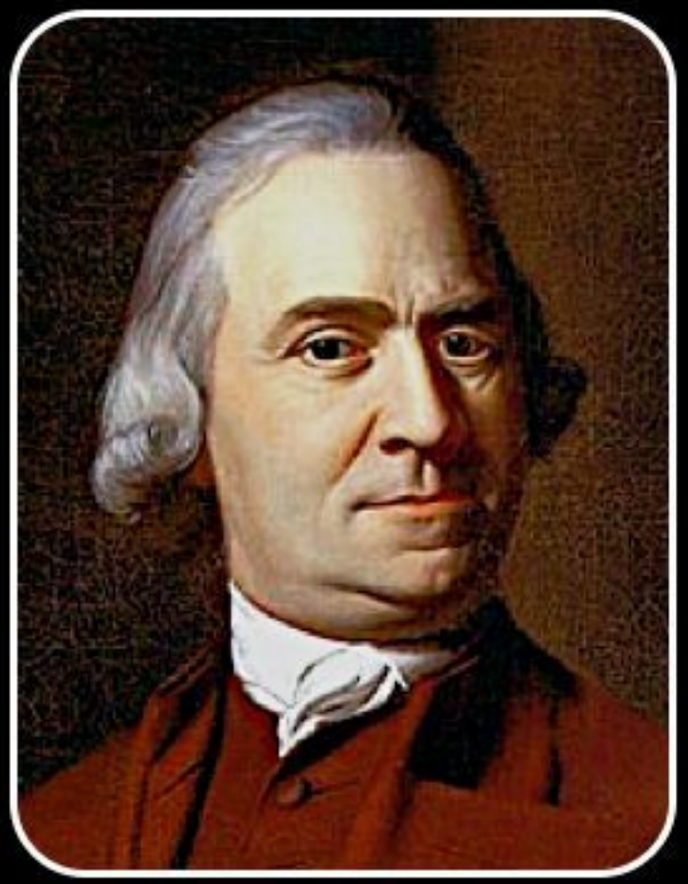
Co-author of the Second Amendment



"The liberties of our country, the freedoms of our civil Constitution are worth defending at all hazards. It is our duty to defend them against all attacks. We have received them as a fair inheritance from our worthy ancestors. They purchased them for us with toil and danger and expense of treasure and blood. It will bring a mark of everlasting infamy on the present generation – enlightened as it is – if we should suffer them to be wrested from us by violence without a struggle, or to be cheated out of them by the artifices of designing men."

- Samuel Adams

FORCE	VIOLENCE
The capacity to do work or cause physical change; energy, strength, active power	The ***immoral use*** of physical power to coerce, compel or restrain
Action which is ***in harmony with morality and Natural Law*** because it does ***not*** violate the Rights of others	***Initiation*** of coercive action which is ***in opposition to morality and Natural Law*** because it involves the violation of other's Rights
Action which one ***always*** possesses the Right to take (including defending oneself ***against*** Violence)	Action which one ***never*** possesses the Right to take



"It is the greatest absurdity to suppose it in the power of one, or of any number of men, at the entering into society to renounce their essential natural rights, or the means of preserving those rights, when the grand end of civil government, from the very nature of its institution, is for the support, protection, and defense of those very rights; the principal of which, as is before observed, are life, liberty, and property. If men, through fear, fraud, or mistake, should in terms renounce or give up an essential natural right, the eternal law of reason and the grand end of society would absolutely vacate such renunciation. The right of freedom being the gift of God Almighty, it is not in the power of man to alienate this gift and voluntarily become a slave."

- Samuel Adams

ANARCHY

From the Greek prefix

an- : without; the absence of

& the Greek noun

archon : master; ruler

Anarchy does NOT mean "without rules."
It literally means "without rulers."

No Rulers. No Masters.

Freedom is the fruit of the Tree of Love,
whose roots are Truth.
